Hotel Bonking

I recently appeared in your magazine for the first time and was so turned-on to think of all those men and women having a good wank over my pictures.

It has had an amazing effect on my sex life and made my boyfriend Rob and I so much more relaxed and adventurous in the sack.

Rob and I arranged to meet in a local hotel for a shag after work. Then we left separately to go to the bar. I was dressed to kill in a short skirt, stockings and suspenders, high heels and a plunging neck line showing off my 32DD tits.

It wasn't long before it had the desired effect and I was approached by a young guy out drinking with his mates.

I explained that I was staying in the hotel but had been stood up by a friend and we started drinking and flirting outrageously.

The talk turned to sex

and knowing that Rob was nearby watching me at like a complete slut got me wet no end.

I told my new-found stud to follow me to my room.

I went up first and stripped down to my underwear and switched on the digital camera that Rob had carefully placed in the corner of the room.

There was a knock at the door and I dragged my new friend in, ripping his clothes off and passionately kissing him as we fell back on to the bed.

That's when I got my first shock. He dropped his trousers and pulled out the biggest cock I had ever seen – at least 10 inches long and thick, very thick!

I wrapped my lips around it, stretching my mouth to the limit.

My pussy was soaking wet and throbbing to be filled with his cock.

I pushed him backwards and straddled him, feeling every inch slide deeper and

deeper into my cunt.

I came almost immediately, my juices soaking his heavy balls.

I couldn't get enough! I slammed my aching pussy down over and over again, cumming so many times I was struggling to catch my breath.

Suddenly I felt his hot spunk explode inside me and he screamed filth at me.

Then came my second shock as he laid me on my back and sucked all of his cum from my battered pussy then dribbled it into my gasping mouth. Fantastic!

We showered quickly then he left. Rob turned up almost immediately.

We lay there and watched my performance on the camera. Then we had the hottest rudest sex session of our lives.

We now aim to

live out

all our fantasies, and soon. Next is going to be a wild threesome with another girl.

I've got a couple of horny bitches in mind and will keep you informed of our progress. Needless to say, Rob can't wait!

Louise, Kent.

ROXY

Let's kick off the issue with a toast to the health of all the horny women who are going to be appearing in the mag this month – and here to raise a glass to them is our toastmistress of the day Roxy Mendez! Mind you, Roxy, it is only 11.00 in the morning...

"A cheeky pint or two before lunch never did anyone any harm, did it? Besides, a couple of drinks always gets me feeling a bit randy, and when I'm feeling randy you never know what I might get up to!"
Well alright, then, but just stick to the two litres for now.

THE DIRTY-MINDED STEPS!

Randy Scouse bit Carmel Cox knows how to make the most of shower time, rubbing her clit and bullet-like nips until she's in a right frenzy. Luckily stud Sam's on hand to join her in the shower and provide her with the length of cock she's craving. There's plenty of 'step-brother/sister talk' as she slurps away on his pole, but they're not kidding anyone. Still, everything else looks genuine enough as they fuck like rabbits before he jizzes all over her arse. More 'step-brother' fun for Spanish slapper Julia, although things get a bit creepy when Scottish Amber learns a life lesson from her step-dad, and there are still two more scenes to come. Fake families seem to have all the fun, don't they? **Available from you local sex shop.**

ROCCO HAREN!

Cast your mind back 15 years or so and you may well

remember legendary woodsman Rocco Siffredi had a regular sparring partner in busty Brit Kelly Stafford – well guess what – she's back! That's right, she's clearly been missing Rocco's fat prick all these years, because the pair have teamed up again to reignite the award-winning chemistry of yesteryear. Kelly's a little bit MILFier now, but if anything she's even filthier as well, as she pairs up with Rocco and some of his stud pals to put a new generation of anally adventurous slappers like Alexis Crystal, Maddie O'Reilly and Dahlia Sky through their paces. It's no-holes-barred action from start to finish!

Dear Julia

I can't tell you how delighted I was to see the incredible Peach appear in your magazine again this month (38.04). I've been possibly her biggest fan ever since she first started gracing the pages of various top shelf magazine well over a decade ago, and had more or less resigned myself to never seeing any new pictures off her because it seemed she'd retired from modelling... but no – there she was in all her glory, showing off her perfect face, flawless boobs and inviting snatch, all of which are just as arousing as they were back when she started out. Please pass on my admiration to this incredibly sexy lady, and beg her to give us another site of her wonderful body before too much longer!

Jason, Manningtree.

What a Peach!

DEAR JULIA

Dear Julia

Your pictures of Tasha in her maid's outfit take me back to a very happy time about 20 years ago when I'd returned back to my parents' house after finishing a contract working abroad. Mum and Dad had a cleaner who came round every Tuesday, and having forgotten about it completely one week I found myself just stepping out of the shower when she came in the bathroom.

I grabbed a towel, but she'd seen everything by the time I managed to cover myself up, and took me by surprise by telling me there really wasn't any need to be so coy. I was a bit slow on the uptake, but her meaning became clear when she put her hand on the bulge in the front of the towel and asked if there was anything special that needed doing that week. Needless to say, my cock sprang to attention and to my delight Natalie dropped to her knees in front of me before giving me the finest blow-job I'd ever experienced! After that I always found myself in when she called round on a Tuesday, and Natalie proved that it wasn't just blow-jobs she was fantastic at! I was there for another four or five months altogether, and was actually pretty gutted when I landed another job overseas!

Graeme, Ipswich.

Char very much!

CUMMY MUMMES!

Mother's Day may have come and gone this year, but there are plenty of UK mums out there who know how to have a whale of a time any day of the year! The four flampers here would much rather have a helping of hard cock than a card and a Sunday lunch cooked for them, though – whether it's with their own fella or a lucky stud for the day. Genuine UK gonzo filth for the 40+ brigade! **Available from your local sex shop.**

RUNAROUND SUE GETS A SEEING-TO!

"EVERY TIME HE FLICKED HIS TONGUE AGAINST MY CLIT MY PUSSY THROBBED..."

My hubby Ray got me a car as a little run-around a few months ago, but within a couple of weeks it had started making funny noises and playing up a bit, so in the end I bit the bullet and took it to a garage in town.

The owner of the garage looked it over. He was very friendly and checked it out immediately. After poking around under the bonnet for a bit he said he would have to keep it for the night and that it would be ready the next day. I was a bit upset at having to leave my car, but cheered up when Dave, another of the mechanics, offered to drive me home. In spite of being dressed in scruffy overalls Dave was handsome and I found myself flirting with him all the way there.

When I phoned the next day I was told that the car would not be ready until late, so I arranged to pick it up in the evening. When I arrived at the garage everyone except Dave had already gone home and he was still working on my car. He told me

I could hang around until he was finished and I was glad to do so, especially when I had a good view of his arse as he bent over working on the engine.

Dave has film star good looks, with dark brown eyes and thick black hair, but it was his muscular body which did it for me. After a while I grew bored of admiring him from a distance so I moved behind him and grabbed his arse, just to tease. But Dave straightened right up, and, apologising for his oily hands, he pulled me to him and began kissing me full on the lips.

The force of his passion took me unawares and I became so heated that I responded in kind. Not bothered about the oil or grease that covered his clothing, face and hands I began

“WHEN I FELT HIS HELMET NUDGE THE BACK OF MY THROAT I WORKED HARD NOT TO GAG.”

to strip him, eager to put my hands into his boxers and root out his wedding tackle. Dave held me off for a moment while he locked the garage door in case anyone else showed up.

He turned back to me, and, sweeping me into his arms he sat me on the bonnet of a shiny red sports car and tugged down my panties. The bonnet was sloping and I kept sliding down it, so Dave got me to spread my legs wide, and bend my knees, placing my feet flat on the bonnet to help hold me in position. Leaning over my pussy he began licking it, his tongue gliding along the length of my flaps as he lapped up my sex juices.

Every time he flicked his tongue against my clit my pussy throbbed harder and I had to grip his shoulders tightly to stay in position as I neared climax. It was rough and ready in the cold garage but Dave was an expert lover and when I came it was magnificent. Having eaten my slit Dave began frigging me, making me come repeatedly until my thighs were slick with my cunt cream.

He stood back to get his breath and I slid down the bonnet and onto my feet. That's when I noticed the whopping big hard-on he was sporting. My hand instinctively went to wank it and it was Dave's turn to groan with pleasure. I tickled his balls, enjoying the feel of his heavy ball-sac in my hands as I tugged at his big cock, feeling it grow to full length and hardness. The ground was filthy, so I

looked around for something to kneel on, and when Dave realized what I was looking for he handed me his overalls which I folded roughly and used as a mat.

Kneeling in front of him, I took his lovely cock and sucked it slowly inside my mouth. Bobbing my head up and down on his erection I flicked the tip of my tongue across his cock-head. Dave brushed my hair back from my cheeks so he could watch me sucking him and I tilted my head back so I could suck him deeper. My cheeks hollowed as I sucked harder and when I felt his helmet nudge against the back of my throat I worked hard not to gag and continued pleasuring him until it was almost too much for him to bear and he begged me to stop.

We moved to a work bench and I put my arms around Dave's neck. I could feel his cock pressing into my stomach and put my hand down and guided it inside my pussy. It was hard, I mean like iron bar hard! Dave kissed me, and, putting his hands under my buttocks, told me to wrap my legs around his waist.

Lifting me so that my weight was on the edge of the work bench, he began

to screw me hard, his cock slamming my well-lubricated pussy as I held on tightly to his back. His thick cock sawed in and out of my gripping pussy making me squeal with pleasure as he fucked me hard and fast. Soon I was sobbing for breath as he sent me over the edge, making me come like a crazy woman as his big cock pumped away at my aching pussy.

“Don't come yet,” I begged him, hoping he could hold off, and when he slid his cock out of me for a moment I sighed in relief.

Turning around I braced my arms against the garage wall and begged him to finish me off from behind. Dave laughed and adjusted his stance to accommodate me. Soon he was thrusting in and out of my cunt and making me scream with pleasure until, with one final jerk, he blew his load deep inside, me making me come again and again until I almost ran out of breath.

Needless to say, since that day the car's been in tip-top condition, and so has my sex life been – well, if hubby's going to get me a clapped out old car, what does he expect?

Office Angela

I have a very high sex drive and I love fucking at every opportunity I get. Luckily my husband is highly sexed too and we are constantly at one another. I work as a secretary for quite a well-known company. I always take my dildo with me to work because I get so randy I have to have it up me. Quite often I rub myself up under the table until I am desperate to have my snatch filled. Then I nip off to the toilets with my dildo and finish myself off properly. Sometimes when I am

working late after work I call my husband Jim and he talks dirty to me over the phone while I frig myself off. Other times if he's not busy he comes over. Last time I was working late I had loads of work piled up on my desk but I just couldn't focus on it. My clit was throbbing and I couldn't keep my hands off my pussy. The office was empty so I phoned up Jim and told him I was horny as hell. "Right, get your pussy nice and juicy, I'm coming straight over. I've got a hard-on already!" he said. I put the phone down and did as I was told, discarding my soaking knickers. I stroked my cunt with one leg cocked up on the

table. About ten minutes later Jim rang the buzzer. I opened the door and practically jumped on him.

clothes on the floor and stripped off my skirt to leave me naked. He bent me over the desk and crouched behind me.

He wasn't joking about the boner - it was jutting out of his trousers conspicuously. We went into my office and locked the door. Jim immediately pushed me up against the door from behind. He kissed and bit the back of my neck frantically as he wildly pulled my jacket, blouse and bra off. I pushed myself into him and groaned as he went to work. He threw my

I spread my legs and he started to lick my swollen, throbbing pussy. He pushed his tongue inside me as deep as he could, tasting my juices and making me gasp. I rubbed my tits and tweaked my nipples as he licked me out. My body started trembling as I felt an orgasm building up inside me. I slid a hand down and started rubbing my clit. I came with a shout and a splash. Jim lapped up my nectar before standing up and turning me round. His trousers were round his ankles and his hard cock was winding invitingly at me. I got on my knees and cupped his balls in my hand. I licked and nibbled at them before taking his cock in my mouth. I sucked him off but I didn't want him to cum before he'd filled my cunt.

I bent over the desk again and ordered him to fuck me. He slid his cock effortlessly inside my dripping gash and started pumping.

I flicked my clit as he shagged me. I came non-stop for five minutes.

Then Jim flipped me round and decorated my face with ribbons of glorious white jism. Delicious!

Angie, London.

"Well there's a business idea that ought to do pretty well!" she enthuses. "I could get an army of Dani Maye clones and base them all round the country. Then, when anyone's feeling a bit lonely – or in need of a lift, of course! – they could tap on their phone and there one would be!"

Hmm, the cloning part might provide a few problems, but basically what you've just hit on there is the answer to everyone's dreams!

Now the weather's finally starting to perk up a bit things are starting to bud left right and centre – but they've got a long way to go if they're going to bloom into anything as magnificent as Cilla's stupendous knockers! Be honest - when was the last time you saw anything as spectacular as those in your back garden...

"Guys are always obsessing about my tits! I'd like you to know there's a lot more to me than a pair of massive boobs!"

Hmm, yes, we can't argue with you there!

Last time we hooked up with Tracy Rose she was basking in the glow of just having shaved off her pubes for the first time, and from what we can see she's decided to stick rather than twist!

"Yeah, all the fells I've been with since then have said they prefer it this way, and I certainly enjoy that special time every couple of days when I have a bath and make sure all the stubble's gone! I might grow them back one day, but not any time soon, I don't think!"

A full-page photograph of Tracy Rose. She is sitting on a green cabinet with gold-colored drawers. She is wearing a bright pink, low-cut bodysuit and matching pink high-heeled shoes. She has long, dark, wavy hair and is looking directly at the camera with a slight smile. Her hands are near her chest, adjusting the straps of her bodysuit. The background features a large, ornate silver mirror and a vase with white flowers. The image is framed by a colorful, geometric pattern on the left and right sides.

Gang-Banged Mand!

My girlfriend Mandy is thirty-seven years old. These photos were taken in my office one weekend.

We often go into work and catch up on the paperwork when none of my staff are around.

This gives her the chance to play the role of the sexy secretary.

The only problem is that she is one fuck of a distraction, bending over the desk and flashing her bronzed thighs and firm butt at me.

I don't seem to get much work done. But then I'm not complaining because I do get my plums sucked.

She has got great tits with long hard nipples, a lovely

tight little pussy and gives the best blow-jobs I have ever had.

During sex I like her to tell me stories about her past sexual exploits, in which she takes a great deal of pleasure in verbally reliving for me.

My favourite short stories are the ones about her college days. She was nineteen and looked quite shy and innocent in those days. How wrong could you be?

She always wore dresses or skirts, usually with stockings or hold-ups. She often gave lads blow-jobs in the common room at break times and after lessons.

She soon got a reputation

among the lads in her class for giving good head.

She sucked a mean cock and she always swallowed the lot.

One of the lads' parents went away for the weekend and Mandy was invited. Of course she was – you'd have to invite the blow-job queen, wouldn't you?

Mandy wore a little black number to the party, along with the usual black stockings, suspenders and high heels.

The party kicked off and most people were getting pretty drunk. Mandy was being chatted up by some guy and before too long they were up in the bedroom.

After sucking the guy off and drinking down his cum, she took his cock in her mouth again and slowly coaxed another hard-on out of him.

Then she lay on the bed with her legs spread

wide. He knelt in front of her and slid his cock inside her. After they'd been screwing for a while she noticed that a couple of lads had entered the room.

She did not seem to mind and carried on. When the first guy had sprayed her with spunk a voice from the room asked when it was his turn.

She told him his turn was next and began sucking his cock.

The third guy in the room didn't need an invitation to join them on the bed. As guy two began pumping her soaked pussy she took guy three in her mouth.

Well this carried on for hours, her getting fucked while she sucked. More blokes came in and stood by the bed, all waiting the turn she willingly allowed them.

Mandy can't actually remember just how many guys fucked her that night.

She thinks it was somewhere between twelve and twenty, with some of them doing her more than once. She said she was covered in jism by the end.

She had spunk on her face, tits, stomach and all down her stockings.

She can't remember how many guys had cum inside her or how much spunk she had swallowed. A good pint, I reckon.

She tells me she was sore for two weeks afterwards but it was worth it and she enjoyed every minute. These stories always make me rock hard, and she's never short of a new one to share with me either!

Stuart, Bucks.
